**POVERTY EXEMPTION APPLICATION FOR 2025 TAXES
(UNDER MCL 211.7u - NEW REQUIREMENTS)**

It is recommended that you read this application before you fill it out. In some instances, you may not qualify.

PA 390 of 1994 states that the poverty exemption shall not be granted to property owned by a corporation. Starting 1995, PA 390 of 1994 states that the **governing body** of the local assessing unit shall determine the policies and guidelines that the local assessing unit will use when deciding whether to grant poverty exemptions.

PA 390 requires that the poverty exemption guidelines include the asset levels of the entire household. The determination of the amount of the asset levels is left to the discretion of the local governing body. Local governing bodies are required by the Act to set income and asset levels for their poverty exemption guidelines.

In order to qualify for the poverty exemption, the claimant must meet **all** of the tests set by the local governing body. PA 390 requires that local assessing units make available to the public their policies and guidelines for the granting of poverty exemptions. The Board of Review shall follow the policies and guidelines of the local assessing unit when granting or denying a poverty exemption. The same standards shall apply to each claimant in the unit for the assessment year. PA 390 requires that the poverty exemption guidelines set by the governing body of the local assessing unit include income and asset level. The Act further requires that the income levels NOT be set lower than the federal poverty income standards.

P.A. 135 of 2012 changed the requirements for filing documentation in support of a poverty exemption to allow an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. All property owners are required to file federal and state income tax returns in the current year or in the immediately preceding year with the Poverty Exemption Application.

PARTIAL POVERTY EXEMPTIONS: Beginning in 1995, PA 390 of 1994 authorizes partial poverty exemptions. A partial poverty exemption is an exemption of only a part of the taxable value of the property rather than the entire taxable value.

FILING FOR THE POVERTY EXEMPTION:

These amounts are adjusted annually. (MCL 211.7u (e)).

To be eligible for a poverty exemption in Carmel Township for 2025, your gross income may NOT exceed these guidelines in 2024. If your gross income exceeds the levels listed below you do not qualify for a Poverty Exemption:

Number of Persons Residing

<u>In the Principal Residence</u>	<u>Annual allowable income</u>
1 person	\$17,000
2 persons	\$21,720
3 persons	\$26,440
4 persons	\$31,160
5 persons	\$35,880
6 persons	\$40,600
7 persons	\$45,420
8 persons	\$50,560
For Each Additional Person add.....	\$5,140

MAXIMUM ASSET STANDARDS TO BE ELIGIBLE FOR A POVERTY EXEMPTION

(PA 390 of 1994 states that the poverty exemption guidelines established by the governing body of the local assessing unit shall include an asset level test)

Carmel Township has adopted the following MAXIMUM ASSET STANDARDS for a household to be eligible for a POVERTY EXEMPTION. The below asset levels DO NOT include the value of your homestead. (Per Tribunal ruling 08-13-97, Docket #236230, and the equity of the homestead should not be included within the asset test to be valid.

5 times the annual household income and no more cash than equal to one month's gross household income in the year 2024

Example: A household has \$5500.00 in assets including \$300.00 in cash. One person is living in the house and a gross income of \$10,864.00 for the year or \$905.00 per month.

With five times the gross income and no more cash than the amount equal to one month's gross income.

5 X \$10,864 = \$54,320.00 and cash of \$300.00 is less than one month's gross income of \$905.00

For 2020- 1-person annual allowable income as defined by the Federal Department of health and Human Services (HHS) = \$12,490.00. **5 X \$12,490.00 = \$62,450.00** of maximum allowed assets. 5 X \$10,864 = \$54,320.00. **\$300.00 is less than \$905.00** monthly gross income. This person is eligible to claim poverty exemption to the Carmel Township Board of Review.

Household assets include assets transferred during the previous year for less than fair market value to a relative or other person who is not involved in an arm's length transaction with the petitioner or other household member.
